

Realm High Income Fund**30/06/2024**

Updated Information

The purpose of this Update is to update the PDS dated 29 September 2022 (**PDS**) for the Realm High Income Fund ARSN 159 673 533 (**Fund**) with information that does not include any materially adverse information.

Transaction and Operating Costs

One Managed Investment Funds Limited ABN 47 117 400 987 AFSL number 297042 (**Responsible Entity** or **RE**) advises that:

For the last financial year ending June 30 2024, for the Ordinary Class those transaction costs not offset totalled 0.023% pa of the net asset value of the assets referable to that class. Based on the \$50,000 fees and costs example for the Ordinary Class, this would add \$11.31 to the annual cost of your investment. For the next financial year, we estimate those transaction costs not offset will total 0.03% pa of the net asset value of the assets referable to that class. Based on the \$50,000 fees and costs example for the Ordinary Class, this would add \$15.00 to the annual cost of your investment.

For the last financial year ending June 30 2024 for the Wholesale Class those transaction costs not offset totalled 0.012% pa of the net asset value of the assets referable to that class. Based on the \$1,000,000 fees and costs example for the Wholesale Class, this would add \$118.82 to the annual cost of your investment. For the next financial year, we estimate those transaction costs not offset will total 0.03% pa of the net asset value of the assets referable to that class. Based on the \$50,000 fees and costs example for the Wholesale Class, this would add \$300.00 to the annual cost of your investment.

For the last financial year ending June 30 2024, for the mFund Class those transaction costs not offset totalled 0.031% pa of the net asset value of the assets referable to that class. Based on the \$50,000 fees and costs example for the mFund Class, this would add \$15.45 to the annual cost of your investment. For the next financial year, we estimate those transaction costs not offset will total 0.03% pa of the net asset value of the assets referable to that class. Based on the \$50,000 fees and costs example for the mFund Class, this would add \$15.00 to the annual cost of your investment.

Please refer to the relevant PDS for further information on how fees and transaction costs may affect your investments.
